WHEELING, W. VA., TUESDAY MORNING, APRIL 9, 1872.

The Intelligencer. Bridge Meeting Last Evening.

THE BOSTON JUBILEE.

Progress of Work on the Great Co-Prayer -- Queen Victoria Invited-

Bosren, April 4, 1872.

Correspondence of the Intelligencer.)

The work of construction of the new Coliseum is fairly under way. The lumer already brought, to be used in the new milding, covers scres of ground in the particularly remind one of the building of axe, hammer, and many metal tools" is heard from daylight to dark, and the brongs of workmen busily employed are extremely suggestive. The main tower has reached the height of seventy or eighty feet, and is daily aspiring to a greater e

and trusses of the building are to rest have een nearly all driven, and the arches which are to support the roof, after being put together on the ground, are pushed orward on ways, very much as a ship ion, when they are to be raised by the aid of large and powerful derricks construc-ted for the purpose. These derricks, by he way, are something of a curiosity. They are made of enormous apruce trees fit for the main-mast of a ship of the line, strongly strapped and bolted together with ron, and by the aid of the tower, already nentioned, no difficulty is anticipated raising, with these instruments, the gigantic trusses and arches to their proper places. Everything is apparently constructed in the strongest and best manne as if for a structure which should last a far longer time than the progress of oullding operations in the vicinity will be likely to allow: for the location of the difice is very near that part of our city where the greater part of the new dwellings, &c., are in process of erection. Indeed, one who has not been in the neighborhood since the last Jubilee, would be astonished at the growth of the "Hub" as seen there. where the greater part of the new dwell-

dergone a slight modification, since first drawn. It was at first contemplated to arrange the choruses as at the last Peace Jubilee; but it is now proposed to seat them in a semi-circular form, so that every member can see the conductor without the seminary member can see the conductor without t ergone a slight modification, since first ingers have already sent in their memShriver had an interest in the stage line bership and organization records to the over the mountains, on which they Executive Committee, and the cry is still carried, and in the mill at Cumberla Executive Committee, and the cry is still carried, and in the mill at Cumperland, in they come. To meet this mexpected surther point of which they were placed, and plus, it is now proposed to have a gallery I had heard Mr. T. Shriver speak of the capable of seating 1,600 more, and this your subsequently in New York. The reader will see that I was apable of seating 1,000 more, and this will probably be built. The organ is to see an immense affair, and the key-banks will be a long distance from the instrument. That will be placed near one end to did, of the matter. I am perfectly willing to give him all the credit, but would suggest that his friends write a little more courteously. Yours truly,

J. E. Wharton, of the building, to obtain the advantages of a reflection of sound, while the perormer himself will be near the conductor sonsder" will have his telegraphic conections arranged as before, so that the

pose. The amendment was concurred in by a vote of 78 to 72.

The Senate amendment striking out the allowance of the Register of the Trea-sury of \$125 for every hundred bonds signed by him not to to exceed 1,500, was concurred.

After acting on thirty-three amendments the committee rose.

Mr. Eximala, introduced a bill to require uniform charges for the transportation of freight and passengers by railroad companies, to discriminations in favor or against, particular persons or places. Referred to the Committee on Commerce. House adjourned.

The Vice Pression I laid before the Senate a certified copy of the report of the investigating committee of the Kansas Legislature relative to bribery and cor-ruption in the Senatorial elections of 1867 and 1871. Mr. Pomenov moved to refer it to the

Committee on Elections, and said he apped there would be an early action and Mr. UALDWELL expressed the same nope, and said he had been waiting for

he report for some time.
The report was referred.
M. Cassauty presented a resolution of the Legislature of California, setting forth he dangers in Arizona from Apaches.
On motion of Mr. Brain a bill passed authorizing the construction of a bridge across the Missouri River at Booneville,

Missouri.
The Indian appropriation bill came up, but on motion of Mr. Howe the bills trom the Committee on Claims were taken

up.

A bill for the relief of Mrs. Martha Russell, of Tennessee, appropriating \$14,975 to compensate her for cotton, and other articles, destroyed by the Union army after the battle of Stone River, was

A bill appropriating \$25,000 for the relief of J. Milton Best, of Kentucky, as compensation for the destruction of his property by the Union army, passed; yeas 77, naya 12.
Other bills were passed as follows: Bill for the relief of the U.S. Express Co. by issuing to them a certain amount of Uni-

stroyed by fire in January 1866, and re-funding to them the value of certain treasary notes destroyed at the same time; bill estruction of the salt works in Kentu by the army under command of General Buell; bill conferring on the Court of Claims power to hear and determine the claims of J. W. Pariah & Co. for damages or alleged violation by agents of the Uni-ed States of a contract made with them for ice to be used by the army in Nash-ville, Cairo, St. Louis and Memphis durperty by United States troops during the war, for the relief of the loyal citizens of Loudon county, Virginia, for their live stock seized by the United States during shock seried by the Chitest States army; to pay Minerva Lewis, to United States army; to pay Minerva Lewis, the widow of James Lewis, \$5,000 for his steamer used in capturing Island No. 10; authorizing the Internal Revenue Depart-ment to settle the claim of Robert Williams, Jr., Assessor of Internal Revenue of the Third District of Ohio, for stamps stollen from his office; bill to pay Joseph Segar, of Va., for the use of his property near Fortress Monroe.

near Fortress Monroe.

Mr. RAMSEY called up the bill to break
in the system of straw bids for mail contracts. Passed without amendments.

Mr. Colle, from the Committee on Ap-

propriation a reported the denciency appropriation bill with numerous amendments, the principal ones cutting down the appropriations for the Quartermaster's Department \$245,000, and making the new appropriation \$200,000.

Bills were introduced as follows:

Bills were introduced as follows:
By Mr. Kellogs, to provide for the
transit of merchant vessels of heavy
draught, across the bar at the mouth of
the Musissippi river, by subsidizing the
National Ship Building & Towing Co.
Bills were reported as follows: By Mr.

of the money order business; and another of the money order business; and another by Mr. Casserix, providing that all regu-lar contracts hereafter made for over \$5,000 per annum, may in the discretion of the Postmaster General, be continued in force not more six months, un-til a new contract shall be made; by Mr. STEVENSON, from the Indian Com-mittee of the House, bill authoriting in by Mr. STRVENSON, from the Indian Com-mittee of the House, bill authorizing ne-gotiations for the purchase of the southern portion of the Ute Indian Reservation in Colorado; by Mr. CORBETE, from the Committee on Commerce, with amendments, bills authorizing the construction sumed the consideration of the Indian ap

ropriation bill. The pending question was on Mr. Wargur's motion to reduce the appro-priation for the Sloux Indians in Montana rom \$500,000 to \$200,000. The motion to reduce the appropria-tion was lost, and without disposing of the bill the Senate adjourned.

Severe Storm--Land Slide--Destruc tion of Bridges and Trestle-work.

rejected. Concurrence was recommended to the amendment repealing all laws to require the publication of laws and treaties in newspapers.

Messra. Butler, of Mass, and Hoar opposed the amendment.

Mr. Garrielo sdvocated it with a modification striking out the appropriation.

Senate seems to have gone out of favor. The only two journals that supported it when it passed the Assembly now'denounce it as it stands in the Senate. The Times says it would be infinitely preferable to get along another year under the Times says it would be infinitely preferable to get along another year under the charter now existing, than to press the one amended by the Senate.

The Evening Post, in referring to the rumors in the cable dispatches to the Associated Press to-day of a peaceable settlement of the conferences pertaining to the Alabama case, says: We have strong reason to believe our government conveyed to Great Britain its willingness to exclude by agreement, the consideration of

favor of the award of the gross sum, but not as claims to be paid the United States. The proposition, the Post is informed, is in a form which the British government Bills were reported as follows: By Mr.
Wrison, from the Military Committee, incorporating the National Soldiers' and Sailors' Orphan Industrial Training Assotion; also authorizing the Postmaster General to place to the credit of the Treasurer of the United States for services of the

Yankton, Dakota, April 8.—The fol-lowing proclamation has been issued by Gen. McCook, in the temporary absence of Governor Burbank, and in pursuance of orders from the Department of the Inte-

Information having reached the office of the Executive of said Territory, through various sources, to the effect that comvarious sources, to the effect that com-binations of men have been and are now seing made with the view to entering and occupying the regions of country known as the Black Hills of Dakota, which is within the reservation be-longing to the Sioux Indians, under the pleas that the said Black Hills country has valuable mineral deposits, as well as quantities of timber fit for lumber. Now, therefore, I. Edwin S. McCook, Acting Governor of the Territory of Datota, by a decision of the President of the United States, through Hon. Columbus Delano, Scoretary of the Interior, do hereby warn all such unlawful combinamen, of whatever locality or un ler whatever plea or excuse operating, that any attempt to violate our treaty slipulations with the Indians, or disturb the peace of said Territory by an effort said reservations, will not only be illegal and likely to disturb the peace between the United States and said Indians, but will be disapproved by the government; and if such efforts are persisted in

London, April 8.—The Post says a rumor prevailed last night that an important telegram had been received at the foreign office from the Government of the United States. This dispatch, it was reported, indicated that there was a prospect that the differences between England and America granting out of the slaim for con-America growing out of the claim for con-sequential damages would be settled in a manner satisfactory to both nations.

Yesterday the fine weather brought out

teries attracted thousands. is reported, although the number of peo ple at all the places of resort was unus

The Arms Sale Investigation.

Franco-Prussian war he lightered goods for the New York. Ordnance office, re-ceiving his orders from Mayor Hall, and in all receipts for the goods he delivered from Rellly; sometimes he delivered goods direct to vessels, and sometimes at the docks. Senator Hamlin—The witness had no official connection with the Ordnance office which connection with

office which employed him, as would other office which employed him, as would other parties.

The chairman (Mr. Hamlin) laid before the committee the letter of General Schofield, saying his recollection of the the law of 1888, providing for the sale of arms, &c., substantially agreed with the testimony of General Dyer. The chairman also laid before the committee the tollowing letter, addressed to him by Secretary Fish:

DEPARTMENT OF SPATE 1

Sin: Referring to your letter of the 18th upon the subject of the resolution alleged to have been adopted by a committee of the French, National Assembly on war contracts, inquiring into the con-duct of United States officials concerned therein, and to my reply of the 20th ult., I now have the honor! to inclose, for the information of the comwittee of which you are chairman, a translation of the note of the 20th ult. upon the subject, from the Charge d'Affaires of France.

Xour obedient servant,

HAMLEON FIRE

LEGATION OF FRANCE IN THE UNITED STATES, WASHINGTON, D. C., March 30.

Secretary of State: The Commission appointed by the National Assembly of France to investigate the matter of the purchase made during the way. surprised by a telegram published by the New York Associated Press, which attri-butes to it the adoption of a resolution of inquiry with regard to the conduct of the officers of the United States. It has re nested the Minister of Foreign Affairs to ntradict this report, and I hasten to inform you officially by order of M. DeRe-muset, that it did not adopt the resolution in question, and that it has addressed no request for an investigation to the Gov-ernment of the United States. Assurance

Hartley & Graham, was sworn and examined by Mr. Schurz.

Witness, did not know what other people thought with regard to the destination of arms shipped in 1870 and 71, but he believed they were going to France. Some of the goods shipped to France, by his firm wars marked ac. to France. Some of the goods shipped to France by his firm were marked according to a telegrain from France, "R. F. Mannieg, Republique Francaise." They, however, sent thither goods not thus marked, but not through the French officials. Witness saw General Dyer and Colonel Crispin, and asked them how many Enfields they would sell him. They asked the Secretary of State whether they asked the Secretary of State whether they work:
